KISA

Korean International Student Association

RIT KISA serves to promote cultural awareness regarding Koreans in America. KISA aims to focus on issues, experiences, and lifestyles that affect all Koreans living in America. We strive to create a sense of community within not only the University, but also the surrounding Rochester community. We hope to strengthen bonds, create ties, and raise awareness of the Korean culture.

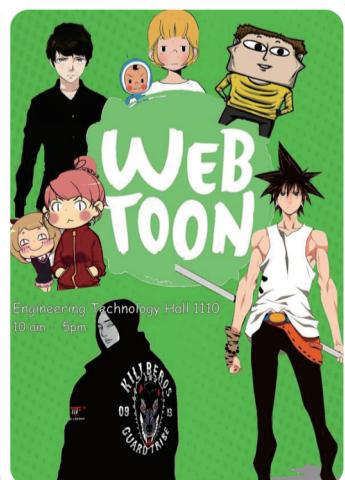

K-pop night

K-pop Night is an event where we play some very popular Korean music at a club and play it with fun. More than 300 students visit K-pop Night every year and this is the main event of KISA.

Pepero Day

In Korea, Pepero Day is a day when people who are close to each other exchange Pepero. It is a bigger event than I thought, so I think it would be nice to share delicious snacks with each other in the U.S. If we get a chance, we are working on this project every year.

Webtoon Day

Webtoons are a type of webcomic that originated in South Korea. Whilst webtoons were most unjustly unknown outside of the country following their inception, there has been a surge in popularity internally in great parts to most commerce industry being read on demand. I think it's good to share a fun webtoon
